

Product Feature . . .

High Conversion Efficiency

Temperature Tolerance

High Wind And Snow Resistance

High module resistance with standard wind pressure
resistance of 5400 pa .

High snow load resistance

With high strength and
long service life

With excellent resistance and the relative

High quality and low cost

ISO9001:2015 / GB/T19001-2016

ISO14001:2015 / GB/T24001-2016

GB/T19001-2007 / GB/T19001-2008

High quality and low cost

High quality and low cost
